

PRIVACY POLICY

I/ INTRODUCTION

1. This Privacy Policy (hereinafter referred to as the “Policy”) sets forth the general rules of collection, processing, distribution, use and storage of personal data including any dispute concerning privacy under current General Data Protection Regulation (GDPR). And in accordance with the data protection regulations in Seychelles.
2. It is understood and presumed that by the fact of the use of the website and its services or by clicking “I AGREE WITH THE TERMS OF USE AND PRIVACY POLICY” button you state that you have read, understood and agreed with the T&C and Policy.
3. This Privacy Policy may be modified, changed or supplemented, and will be updated on our website. In case you do not agree to such revised Policies you must stop using the website but will be able to cancel your position at any time.
4. All personal data is subject to process in compliance with legal obligations under GDPR.
5. The data controller of the voucher Website is Global Fintech Group LTD.

II/ PRIVACY POLICY

1. Data collection
 - a. Registration data: We will collect all information such as name, address, age, email, phone number when you have registered in the website through our website.
 - b. Personal data: We will collect all personal information you have provided us if necessary like ID Card or Passport numbers.
 - c. Hardware data: We also collect the hardware data in all pathways from signup, login, deposits but not limited to the following: IP address, mac address and browser information to ensure that all wagering, deposits are to/from the same ip and computer.

d. Other information including:

- The browser type and its version.
- The operating system.
- The Internet service provider
- The date and time of accessing the website.

2. Data processing

When using these data, Global Fintech Group LTD. does not draw any conclusions about the data subject. Rather, this information is used to verify personal account (1), deliver the content of our website correctly (2), optimize the content as well as its advertisement (3), ensure the long-term viability of our information technology systems (4) and provide law enforcement authorities with the information necessary for criminal prosecution in case of a cyber-attack (5). Therefore, Global Fintech Group LTD. analyzes anonymously collected data and information statistically, with the aim of increasing the data protection and data security of our enterprise, and to ensure an optimal level of protection for the personal data we process. The anonymous data of the server log files are stored separately from all personal data.

3. Transfer data

The website contains information that enables a quick electronic contact by Global Fintech Group LTD. And the data will not be transfer to any third party without the user's permission.

4. Cookie storage

Almost all browsers such as Microsoft Internet Explorer, Chrome, etc. allow you to store passwords and logon IDs so you do not need to re-enter this information each time you access a web site. Global Fintech Group LTD. strongly urges users not to use this functionality to prevent unauthorized computers or persons from controlling your account.

5. General Data Protection Regulation

The Data Protection Directive (Directive 95/46/EC) has been replaced by the GDPR. And GDPR has legal effect in all EU Member Countries from 25 May

2018, but there are certain regulations within the GDPR that allows its members to be able to legislate at a national level for specific reasons, and therefore this policy may change accordingly from time to time.
